# WASTE COLLECTION INFORMATION

## Recycling Blue Box Collection

The Municipality of Bayham is responsible through a contract with Norfolk Disposal for curbside recycling pick-up until June 30, 2023 at which time the responsibility for arranging the contract for this service shifts to Circular Materials Ontario. The Municipality anticipates no negative impact to the recycling service during this transition.

### Prior to July 1, 2023

- All recyclables should be set out to the curb by no later than 7 a.m. the morning of your collection day.
- Recyclables will be collected the same day as household waste, as per the schedule on the front of this flyer.
- Recyclables must be separated into “2 streams”- glass/plastics separated from paper/cardboard.

More information regarding the recycling collection starting July 1, 2023 will be available in early 2023.

## Household Waste Collection

- All kitchen and table waste, of animal or vegetable origin, resulting from the preparation or consumption of food in a household, church, or commercial place of business.
- Any waste as a result of day-to-day living, excluding recyclables and hazardous wastes

### Waste Collection Requirements:

- **All waste should be set out to the curb by no later than 7 a.m. on the morning of your collection day.**
- Regular Household Waste will be collected as per the schedule on the front of this flyer.
- Waste must be placed in a container or securely tied plastic bag having a capacity of not more than .08 cubic metres (2.75 cubic feet), and composed of material not less than 1.4 mil gauge.
- Garbage containers must have a total weight, when full, of not more than 18 kilograms (40 pounds).
- Any number of bags/containers may be placed curbside each week. Each bag must have a current year Bayham garbage tag affixed so that it is clearly visible for pickup. Do not wrap tag around the neck of the bag, but affix flat so that the **whole** tag is visible. (No partial tags will be accepted)
- If using a container, waste must not be loose and must have a current year Bayham garbage tag affixed to the top item inside the container visible for pickup. Do not affix the tag to the container/lid.
- For the 2023 program, landowners are being supplied 52 tags for each eligible residential unit and 86 tags for each eligible commercial unit. Additional tags may be purchased at a cost of \$2.00 per tag. Agricultural properties – those with a valid farming business registration number – are able to obtain an additional **16** tags for 2023 upon verification of the farm tax class at the municipal office.

## 2023 Urban Area Leaf and Yard Waste Pickup

For 2023 leaf and yard waste will be collected curbside within the following urban areas:

Calton • Corinth • Eden • Port Burwell • Richmond • Straffordville • Vienna

The 2023 leaf and yard waste collection will be carried out on **Mondays** over a four (4) week period in both the Spring and Fall 2023.

**Dates: Spring Program – Mondays May 1, 8, 15 and Tuesday May 23, 2023 (no pickup Monday, May 22)**

**Fall Program – Mondays October 23, 30, November 6 and 13, 2023**

Ensure your leaf/yard waste is placed at the curbside by **7:00 am on Monday each week**. Each of the above areas receives a minimum of one pickup per week. Pickup will not necessarily occur on your regular waste collection day. All leaf/yard waste must be placed in paper bags, open reusable containers, or bundled in lengths not exceeding four (4) feet. All individual containers must weigh less than 18 kilograms (40 pounds).

See website: [www.bayham.on.ca](http://www.bayham.on.ca) for details throughout the year.

## Curbside Bulk Item Pick-Up – Trial Program approved by Council

The 2022 fall dates were successful. There will be three dates in 2023 (spring dates to be announced in early 2023). The program is not during the regularly scheduled garbage pickups so registration through the Municipal Office with a \$15.00 fee is required. More details on the municipal website: [www.bayham.on.ca/pages/large-items-hazardous-waste](http://www.bayham.on.ca/pages/large-items-hazardous-waste)
